VALLEY VINEYARDS WINE & BEER FESTIVAL
A Taste of Warren County

FESTIVAL DATE SET FOR JUNE 2, 2012!

If you find yourself free on a sunny Saturday in June, June 2nd to be exact, you might want to get yourself down to Valley Vineyards for our second annual Wine & Beer festival. Starting last year, after a brief hiatus, Joe and the family decided to regroup and bring the festival back to life. So on that sunny afternoon, from 11am to 11pm, we invite you to attend "A Taste of Warren County".

We are very excited by all the support we have received for Cellar Dweller and are happy to be adding it to the festival this year. So throughout the day you will not only be able to sample Valley Vineyards wine, but also our craft beer! For those of you who are interested in more than just enjoying our wine and beer, there will be a Libations Education Tent where you will be able to gain a better understanding of what makes

craft beer and Ohio Wines unique. On that note, if you are one of those that already knows what makes wine unique and are working on your very own creation, please contact **Listermann's**, who will be organizing the amateur wine competition here during the day. You can reach them at www.listermann.com.

To kick the day off we will be hosting a 5k walk/run through the vineyards benefitting "Shop with a Cop". You can pre-register by visiting our website. We will also have roughly 15 vendors on site featuring great food and locally made goods for you to enjoy and indulge in. Complimentary live music will be heard all day at the stage out back! There is no cover charge, just a \$5 dollar parking fee.

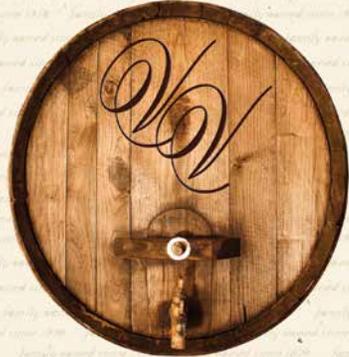

So come, eat, drink, and be merry!

WINE & BEER FESTIVAL
A Taste of Warren County
 SATURDAY, JUNE 2, 2012 • 11 AM TO 11 PM

The success of our **2010 Cabernet Franc** has been bittersweet. We were ecstatic that we could all pretty much agree that it was amazing. It was hard to let that last bottle go! After this vintage was named the **"Best Red" in Ohio** we knew it would not last long and we were right. Two months ago the last bottle walked out the door.

Luckily...Our **2010 Syrah** was recently released! This velvety rich red wine is only available for a *short time*, as we have *limited quantity*. If you have not stopped in to sample and enjoy this boldly delicate wine with hints of smoked vanilla, you should make it a point to come and see us soon!

Come out and enjoy live music here at the winery every Thursday from 6-10 pm with **"It's Just Wine, Beer & Music"**. Featuring local musicians, Valley Vineyards wines and Cellar Dweller craft brews! So relax with us, enjoy good company, great food and complimentary music. Every Thursday, we feature different glass and pint features! Check out the events page on our website: www.valleyvineyards.com/events, on Facebook, or call ahead to find out who will be the entertainment for this Thursday!

Winery - Recently released is our 2010 Cabernet Sauvignon! This fantastic deep red wine, fills the mouth with thoughts of summertime plum, and tickles the tongue with hints of black cherry. The soft, lingering finish of oak aging rounds out this wine perfectly. So please, enjoy...

Brewery - As the keg of our winter seasonal, the unique Port Barrel Ale, was left dry. We began looking forward. Exciting about the idea of a rotating tap, we have decided to pursue "Session" beers rather than "Seasonal". The only difference is that Steve, our talented head brewer, will now be able to hold onto a little creative freedom. Making smaller batches of new styles, and when they are gone, they are gone. So once these crafts' start flowing, come to Valley Vineyards often! You never know if your current favorite will last that much longer.

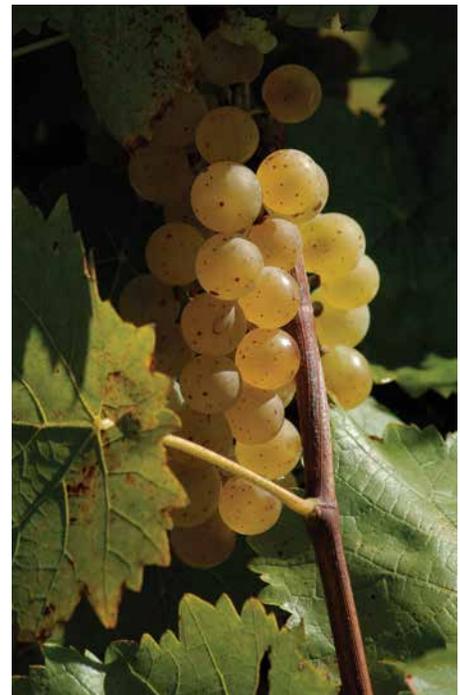

Cellar Dweller craft beer to be featured in two fantastic local establishments!

Once again, when launching a new venture, it is great to be reminded that you are a part of a supportive community. With **Cellar Dweller** being just a couple of months old, we are proud and honored to say that our craft beer is now being *offered at The Village Wine Cellars in Lebanon and Jay's Seafood in Dayton!*

It has been a beautiful spring here in the Valley. With an unseasonable warm March that had the vineyards running at about 5 weeks ahead of schedule. Of course, April brought back the cooler temperatures and things are beginning to even out a bit. Still hard at work, pruning and preparing for the season ahead, with just a bit more breathing room, the ebb and flow of working with nature. And every year, still more planting, bringing in more vines to create more wines! This year will be the first year of a new acre of Vidal Blanc grapes ready for the harvest.

JUNE IS Ohio Wine MONTH!

What could possibly be better than kicking it off at our festival? Nothing comes to mind here on our end, and for other fantastic wineries to visit in your area check out the Ohio Wine Trail, we have copies at the winery or they are available on our website at <http://goo.gl/pXmqx>.
