JOE'S WINTER WRAP-UP

Well, we survived the holiday fun ... family gatherings and New Years with friends ringing in 2013. Surely you enjoyed them with a few bottles of Valley Vineyards' finest wine or beer!

This season of cold weather and afternoons working by the fireplace gives us time to plan the excitement for the rest of the year. Looking inside this issue you'll see many tastings, beer and wine releases, and the teaser for our wine and beer festival. In the works are a few things that might even surprise you! So stay up to date with us on **Facebook**, or on our **website** for current offerings.

Don't forget that, during the winter season and all year round, we have our indoor grills for the weekend cookouts, our signature here at Valley. It's a great way to forget about the freezing weather and enjoy a delicious grilled steak or scrumptuous salmon fillet, along with a glass of our beer or wine. To us, it's like tricking Mother

Nature ... looking out on her frozen tundra, enjoying the best things of summer. You bet.

I hope to see many of you soon, at one of our tastings, weekend cookouts, or just stopping in for a glass during the week. Be safe, and we'll talk again before the wine and beer festival!

WINE & BEER FESTIVAL

A Taste of Warren County

FRIDAY, MAY 31
5-11 PM

SATURDAY, JUNE 1
11 AM - 11 PM

Pick of the Valley, Cabernet Franc Rosé ... there's a bottle waiting for you!

In the Vineyards

It is a cold winter for pruning, but it has to be done. Maintaining a vineyard is definitely a year-round investment. Luckily for us, we have a fantastic and dedicated crew that knows the grounds well and have been working steadfast for the last few weeks to get the vines tamed.

The last of our harvest was brought in during the middle of December. Once that temperature dropped to Kenny Joe's magic number, the harvest begins and the Ice Wine grapes are collected.

Our Pick of the Valley for February brought us back to a family favorite... our Cabernet Franc Rosé. When it comes to choosing a wine that pairs well with food, our Rosé tops the list. With its light cherry tongue, and soft, dry finish it tantalizes without overpowering. If it's been awhile since you tried it, stop in, we promise this wine is worth another taste.

We are also proud to announce some of the awards we have won in

2012. The 2011 Vidal Blanc picked up an Ohio Quality Wines Program nod as well as winning a concordance gold in the Ohio Wine Competition. A concordance gold basically means that everyone agreed it is a fantastic bottle of wine.

Other wines that were given that noble recognition are: 2011 White Reflections and our 2011 Pink Catawba.

BREWERY NEWS

We are approaching our one year anniversary here with **Cellar Dweller Brewery**, and things are going so well thanks to all of you. We sincerely appreciate the support and the encouragement as we grow and expand. We have basically been just keeping up with demand ... so now we are already bringing in a more expansive equipment set up, to keep all you great folks saturated in our craft brews. So please, come quench your thirst! We will do our best to keep you updated with the latest releases and new taps around the state. Join our **Facebook** page to keep up with our latest news.

We do have several new brews here in the tasting room if you haven't stopped by in awhile. Our Smoked Porter ... i.e. Smokey Bier ... is a fantastically dark, rich beer with a smooth smoke incensed finish. It has been a fantastic seasonal that we will be sad to see go. Other beers we have in the making ... a new and improved IPA! Watch out for Steve's new concoction of an old standby, as he takes creative lead and experiments with new recipes. And for our full-on winter seasonal and a favorite of winter past, expect to see the Port Barrel Ale make an entrance in the next few weeks. Also recently released and amazing ... our Rock Bock and Violator DoppelBock!
