**WINE FESTIVAL  
JUNE 4, 2011**

**VALLEY VINEYARDS WINE FESTIVAL**

*A Taste of Warren County*

My family and I are proud to announce the beginning of a new festival at the winery. After a 4-year festival hiatus, we've brought you "The Valley Vineyards Wine Festival, A Taste of Warren County". A few of our favorites from the surrounding area plus many more will join us for this one day celebration, including *Wildflower Cafe*, of Mason and *The Jam and Jelly Lady* of Lebanon. Kicking off the day will be our *Annual Walk/Run Through the Vineyards*; This year the proceeds will benefit the "**Shop with a Cop**" of Hamilton Township, find information about this on page 4. Inside this newsletter you will find a full schedule of events, wine tasting, live music schedule and much more!

There's been a lot going on at the winery, Our "**Its Just Wine & Music**" Thursday night evening event has been a great success, thank you to everyone who has come out to

relax in the dining room and listen to some great local entertainment. "**Prime Sundays with Grandpa**" have been keeping him very busy, he appreciates all the kind words, from everyone ... if anyone remembers his last newsletter about being put out to pasture? Grandpa is far from leading a relaxing retirement!

I hope everyone gets to join us for the return of this great annual event! I know since we discontinued the wine festival, there have been many people asking us to bring it back, so we have ... only it's better than ever before. So join us for a few glasses of wine, great music ... and wonderful local foods.

Thank you,

*Joe Schuchter*

Winemaking

Slow fermented in stainless steel tanks at 55°F to desired residual sugar. Gentle fermentation results in a wine with soft, supple fruit follow through to bottled wine. Varieties are blended to winemaker specifications, gaining the optimal varietal characteristics.

Viticulture

Grown on a high wire single cordon system preferred for French hybrids, vertical shoot positioning system for Chardonnay. Cluster thinned, and leaves pulled for maximum sun exposure to achieve high brix at harvest for maximum varietal characteristics in finished wine.

Tasting Notes

This medium bodied white wine has a clean floral bouquet. Vivid overtones of ripe pear and citrus follow through to a cool crisp finish, leaving the opulent fruit flavors reverberating on the palate.
